50X1-HUM

1. The following objects and installations are located in Dubrovnik:

- a. A military automobile repair shop for small repairs is located on the outskirts of Gruz, between the two roads which lead to Dubrovnik. This repair shop consists of two frame buildings and two sheds which serve as storehouses for vehicles and various unspecified material. Some 60 workers are employed in the automobile repair shop;
- b. Five frame buildings, two of which have cement foundations, are located in a field on the left of the westward Gruz-Dubrovnik road. These buildings are surrounded by a barbed-wire fence, and are guarded by sentinels;
- c. A food-supply depot for the city garrison is housed in a frame building, 20x10 meters. This depot, which is connected with the highway by a narrow path, is guarded by a sentinel;
- d. The Graditelj Construction Enterprise, which constructs frame buildings and manufactures furniture and other similar items, occupies a two-story building in Dubrovnik. This Enterprise, to which are attached some 90 workers and an unspecified number of office and clerical employees, is partially surrounded by a barbed-wire fence, and is guarded by sentinels; 50X1-HUM
- e. An unspecified military academy² is located in an old three-story frame building at the edge of the eastward Gruz-Dubrovnik road. Some 100 officers of various grades, who are presumably attached to this academy, in that vicinity. Students at the academy wear the army uniform, with two or three vertical gold stripes on the right forearm; 50X1-HUM
- f. The Buducnost Paint and Varnish Factory occupies a building located on the westward road leading to Dubrovnik. On the factory grounds are a

building used as a storehouse by the Hotel Food Supply Association, and a building in which fishing equipment is stored. The overall number of workers and clerical employees at the Buducnost Paint and Varnish Factory is approximately 200;

- g. A warehouse for trolley-car equipment is situated in a one-story, street-level building in Dubrovnik;
 - h. A tobacco factory is housed in a two-story building surrounded by an unspecified number of other small buildings. Some 50 workers are employed in this factory; and
 - i. The headquarters of the Okruzni Ured Osiguranje Radnika (Area Social Welfare and Medical Aid Bureau) is in a three-story building.
2. A rest center for UDB officers of the Republic of Bosnia-Herzegovina is located in a new, three-story, hotel, located in the village of Donja Kolocep, near the coast, on the Island of Kolocep.

50X1-HUM

2. Comment: a school for naval noncommissioned and reserve officers has its headquarters in the Presidium Command building at Dubrovnik.

* SOURCE Through a usually reliable and well-connected source, from unstated informants.

1. During November 1951, there were observed at Gruz two PT boats, each armed with machine guns and two torpedoes. These PT boats, which are used for coastal surveillance and [redacted] were docked near a small building which serves as a guard post. Five or six sailors are attached to this post. 50X1-HUM
2. One of informants learned that practice tests are in progress in this area for the laying of anti-submarine nets.
3. The following series of PT boats was anchored or stationed at the following places between 21-31 December 1951:
 - a. 1 TC Group - Kotor;
 - b. 2 TC Group - presumably Rijeka; and
 - c. 3 TC Group - Kurcola Island.
4. The following destroyer-escort units have already navigated and are ready for action:
 - a. [redacted] (former torpedo boat INDOMITO), headquarters of 6 SB Group; 50X1-HUM
 - b. [redacted] (former corvette BALESTRA);
 - c. [redacted] (former torpedo boat ALISEO);
 - d. [redacted] (former torpedo boat ARIETE);
 - e. [redacted] (former torpedo boat T-1); and
 - f. [redacted] (former torpedo boat T-5), headquarters of the SB squadron.
5. On 29 December 1951, an unidentified destroyer-escort vessel arrived at Kumbor (Kotor) at 9:30 a.m.

50X1-HUM

1. A new airfield is reportedly under construction at Zajecar in the vicinity of Kraljevica.
2. An airfield is located some seven kilometers north of Pulj, east of the Pulj-Dignano road, just at the entrance to the small town of Galesano. Training planes are located in this area. 50X1-HUM
3. The seaplane base at Pulj is undergoing repairs and expansion.
4. An airfield will be constructed on the site of the small seaplane base in the area between the Sibenik Canal and the town of Vodica. This airfield will reportedly be constructed for the use of the Americans.

2. Comment: the seaplane base at Vodica is being restored, although it is not yet in operation. 50X1-HUM
